

AFTERCARE INSTRUCTIONS

- * Do not get the lashes wet for the first 24 hours
- * To clean the lashes only use water based make up remover with a cotton bud or lash shampoo & cleansing brush
- * Avoid friction on the lashes, but do remember to brush them every day, fluff back to life with the cool setting on the hairdryer
- * Do not use mascara, lash tint or perm or curl the lashes
- * Please do not attempt to remove the lashes, either let them drop out naturally or have them professionally removed
- * Rebook infills every 2-3 weeks
