A LITTLE ABOUT US

Rebecca has over 12 years' experience specialising in permanent make up and skin revision treatments, for those experiencing hair loss, scarring and confidence challenges following medical or life events.

Treatments delivered with care, sensitivity and a personalised approach.

WHEN CAN TREATMENT BE DONE?

Before treatment starts - to support anticipated hair loss and maintain your natural features.

After treatment - gently restoring features, your confidence and a sense of self.

YOUR CONSULTATION

Your first appointment is a relaxed no-pressure consultation where we:

- Assess your skin and suitability
- Create a personal treatment plan
- Supportive pricing options available

You are not alone in this - support is here when you're ready.
